

Download A Blue Ocean Type Of Offensive Strategy

Definitions. The elements of maritime geography are loosely defined and their meanings have changed throughout history. The USA's 2010 Naval Operations Concept defines blue water as "the open ocean", green water as "coastal waters, ports and harbors", and brown water as "navigable rivers and their estuaries". Robert Rubel of the US Naval War ...Harpoon3.6 1980 – 2015 (DB2000) Database & Scenarios. IMPORTANT NOTE: All further work on the commercial versions of computer Harpoon was suspended in mid-2013 after more than two decades. Once a company has decided to employ a particular generic competitive strategy, then it must make such additional strategic choices as Green-water navy is terminology created to describe a naval force that is designed to operate in its nation's littoral zones and has the competency to operate in the open oceans of its surrounding region. It is a relatively new term, and has been created to better distinguish, and add nuance, between two long-standing descriptors: blue-water ...
