Oliver Twist I already read two books so far, the first one was Where She Went (which I'm going to review after I do one of If I Stay) to complete one of the challenges, "Books with More than 100 Pages". Oliver Twist was the second book I read and the challenge I completed was "Books from 1001 Books You Must Read Before You Die list". Oliver Twist is a well-known story, but the book is not quite as widely read as you might imagine. In fact, Time Magazine's list of the top 10 most popular Dickens' novels put Oliver Twist in 10th place, even though it was a sensational success in 1837 when it was first serialized and contributed the treacherous villain Fagin to English literature. It is even more so, especially if it is an Oliver Twist novel review. The book – 'Oliver Twist' by Charles Dickens has an interesting plot and a timeless appeal. The story revolves around an orphan named Oliver Twist, whose mother died giving birth to him.
