Dracula is a 1973 British television film adaptation of Bram Stoker's 1897 novel Dracula written by Richard Matheson and directed by Dark Shadows creator Dan Curtis, with Jack Palance in the title role. Bram Stoker is responsible for creating the archetypal horror villain. I have done extensive reading of the horror genre, and I have found that much of post Stoker horror seems to use Dracula as a template for its villains. Dracula was Bram Stoker's fifth and by far his most famous novel. It was first published in the UK in May 1897 by Archibald Constable and Company, Westminster.
