IBM BladeCenter HS22 (7870, 1936, 7809, 1911) IBM BladeCenter HS22V (7871, 1949) IBM BladeCenter HS23 (7875, 1929) IBM BladeCenter HS23E (8038, 8039) X Series. First-class experience. Smaller footprints and epic battery life make X Series the business traveler's trusted companion. Their craftsmanship, versatility, and robust security features ensure they're every professional's preference. I'm seeing this issue on 2 systems as well, a W541 and a X240 - we have a lot of Lenovo in our inventory, and it seems to be the 40 series machines with this specific issue.
