

Download Integration Notes

Finance and Operations customers can use Dynamics 365 for Talent to manage their people. The integration provides the ability to integrate appropriate HR information into Finance and Operations. Note. These release notes describe functionality that may not have been released yet. To see when this functionality is planned to release, please review Summary of what's new. Computer Telephony Integration, auch bekannt als Rechner-Telefonie-Integration oder CTI, ist eine allgemeine Bezeichnung für jede Technologie, die die Integration und Koordination von Interaktionen über Telefon und Computer ermöglicht. Here is a set of practice problems to accompany the Integration by Parts section of the Applications of Integrals chapter of the notes for Paul Dawkins Calculus II course at Lamar University.
