Assignment

Interpersonal Communications Summary Paper. This Interpersonal Communications Summary Paper is going to contain and address the subjects of Nonverbal Communication, Male/Female Communication, Anger, and Relationship Development. In this assignment I am going to be explaining the factors that may influence communication and interpersonal in health and social care environments and also I am going to be explaining the strategies used in health and social care environments to overcome barriers to effective communication and interpersonal interactions. "Netiquette" is network etiquette, the do's and don'ts of online communication. Netiquette covers both common courtesy online and the informal "rules of the road" of cyberspace.
