

Download M Bromobenzoic Acid Structure

3-Bromobenzoic acid | $C_7H_5BrO_2$ | CID 11456 - structure, chemical names, physical and chemical properties, classification, patents, literature, biological activities, safety/hazards/toxicity information, supplier lists, and more. A three-dimensional representation of the compound. The 3D structure is not experimentally determined, but computed by PubChem. More detailed information on this conformer model is described in the PubChem3D thematic series published in the Journal of Cheminformatics. Structure, properties, spectra, suppliers and links for: 3-Bromobenzoic acid, 585-76-2. 3-Bromobenzoic acid was used: • as test solute in the determination of acidity constants by capillary zone electrophoresis • as internal standard to study the retention mechanisms of an unmodified and a hydroxylated polystyrene-divinylbenzene polymer by solid-phase extraction
