In a unique collaboration and music industry first, Moby is releasing his new album, Long Ambients 2, exclusively on Calm, the world's leading sleep and meditation app – on World Sleep Day, Friday, March 15th. a note from moby... over the last couple of years i've been making really really really quiet music to listen to when i do yoga or sleep or meditate or panic. i ended up with 4 hours of music and have decided to give it away. Free kindle book and epub digitized and proofread by Project Gutenberg. Moby and David Lynch discussed the recording process of the album on Lynch's online channel, David Lynch Foundation Television Beta. The first single off the album was "Shot in the Back of the Head", and the video was directed by David Lynch. The single was available for free download from Moby's website.
