Hier sollte eine Beschreibung angezeigt werden, diese Seite lässt dies jedoch nicht zu. Nathan AirChime K5 Train Horn. The Nathan AirChime K5 is the God Father of all train horns! Still in use today, the K5 horn is used on commercial locomotives all around. AirChime, Ltd. AirChime, Ltd. traces their beginnings through the work of Robert Swanson in 1949. Prior to the early 1950s, locomotives were equipped with air horns that sounded a singular note. Swanson sought to develop an air horn which would mimic the sound of a classic steam whistle. Video of Nathan Airchime K3LA diesel locomotive horn installed on my F150! Worth every penny! Horns originally came from BNSF. All 1/2" air line with a 7 gallon tank and a Parker 1/2" electric ...
