This Chocolate Chip Pumpkin Bread is my official “hello!” to fall. Perfectly moist and pumpkin-flavored, studded with dark chocolate chips and baked with sweet vanilla oatmilk, this delicious dairy-free quick bread is perfect for breakfast, as an after-school snack or for dessert during the coziest months of the year (or any time, really). The new Starbucks Pumpkin Cream Cold Brew is better than the Pumpkin Spice Latte, and you can make it at home! You won't believe how easy this DIY Pumpkin Cream Cold Brew Recipe is to make. It only takes 6 ingredients and 5 minutes! Plus, the hubby LOVES himself pumpkin desserts. He fills up on all things pumpkin. Not only did I want to make these pudding cookies for the hubby's party because I have never had a pudding cookie not be a big hit but I thought it was a great transition.
