

Download Putrajaya Seafood Restaurant

Few months back, we stumble upon Wang Chiew Seafood Restaurant by chance and have never looked back since. Cheap, decent dai chow in a air-conditioned place is hard to come by nowadays. Located on the fringes of Putrajaya, nestled in the lush and magnificent grounds of IOI Resort City, is the tiny gem; Palm Garden Hotel, a 4-star resort hotel. Pantai Seafood, under the same management as Unique Seafood (PJ) Sdn Bhd (read our amazing geoduck experience here), is famous for its fresh seafood picks and good dishes being value for money (approximately RM20-RM30 per pax). One of the latest food scene buzzing in Putrajaya is happening at Le Mei at the newly opened Le Méridien Putrajaya. Le Mei offers diners an authentic Cantonese dining experience set in a modern and elegant Chinese art and culture ambiance.
