Bitcoin is no stranger to extremes: in each of the last four years, it has been either the best or worst performing currency, with nothing in between. Studies in the Second Generation of Bible Stories for Adults are provided in downloadable Adobe Acrobat (.pdf) format. To use pdf studies, you will need the Acrobat reader software that you can download free from www.adobe.com. Ask your presider to tell your listeners (or tell them yourself):

December 9, 2018, Second Sunday of Advent Before the first reading: This reading expresses the loyalty of widely scattered Jews to their homeland and its single temple in Jerusalem. The second is the base unit of time in the International System of Units (SI), commonly understood and historically defined as $\frac{1}{86400}$ of a day – this factor derived from the division of the day first into 24 hours, then to 60 minutes and finally to 60 seconds each.
