Shere Hite (born November 2, 1942) is an American-born German sex educator and feminist. Her sexological work has focused primarily on female sexuality. The internal anatomy of the human vulva, with the clitoral hood and labia minora indicated as lines. Most of us do not analyze what exactly turns us on; arousal just seems to happen. It can appear at the strangest of times, coming upon us with the most unsuitable partners or taboo acts. Samleje (lat. coitus) er den menneskelige form for kopulation og en almindelig form for sex. Selvom samlejets biologiske formål er reproduktion, dyrkes det også for nydelsen og som et udtryk for kærlighed og følelsesmæssig intimitet.
