

# Download Taking Lasix

I take torsemide (dytor) & the urination lasts all day long, I guess lasix (frusemide) too has the same effect, however check with your pharmacist/doc., hope this helps. What other drugs will affect Lasix? Sometimes it is not safe to use certain medications at the same time. Some drugs can affect your blood levels of other drugs you take, which may increase side effects or make the medications less effective.
