The second edition of Core Servlets and JavaServer Pages is now available for free access in PDF. See links below. Readers of the older edition can still access the first edition here. Pearson Prentice Hall and our other respected imprints provide educational materials, technologies, assessments and related services across the secondary curriculum. *Liberté*, by Gretchen Angelo, is a first-year college French textbook with a true communicative approach. It has been adopted by instructors at over thirty colleges and high schools (partial list below). *A First Course in Linear Algebra* is an introductory textbook designed for university sophomores and juniors. Typically such a student will have taken calculus, but this is not a prerequisite.
