

Download The Bluth Company

Anthony Hale (born September 30, 1970) is an American actor and comedian. He is known for his role in the Fox comedy series *Arrested Development* as the neurotic Buster Bluth. Canadian actor Michael Cera was born in Brampton, Ontario, to parents who worked for Xerox. His mother, Linda, who is from Quebec, has English, Irish, Scottish, and Dutch ancestry, and his father, Luigi Cera, is Sicilian. Does the "Family of the Year" (as awarded by the Bluth Company) really need Michael's help to keep them all together? You know the answer. In 1979, Don Bluth, an animator known for his work at Disney Studios, broke with that company to start his own movie company. Though the films made through his company would never achieve box office success, his influence was obviously enormous to have landed such prominent talent for his efforts.
