

# Download Treasure Song Download

"Treasure" is a song by American singer and songwriter Bruno Mars for his second studio album, titled *Unorthodox Jukebox* (2012). It is inspired by Breakbot's song "Baby I'm Yours". The idea of national treasure, like national epics and national anthems, is part of the language of romantic nationalism, which arose in the late 18th century and 19th centuries. The Treasure Coast's Greatest Hits. Toggle navigation. The Treasure Coast's Greatest Hits I wrote this song to illustrate the phonics "ure" sound for the Genki Phonics Course But it also works as a great stand alone class for learning lots of pirate words!
