

# Download What Was Life Like In 1984

Orwell uses his whole novel to tell us what life was like in 1984, but here are some of the major points: The government could watch everybody all the time. I was 8 years old, so don't have much based on my memories. The UK was coming out of a recession and life in Britain was becoming more modern in terms of new technology coming through. Like what was the fashion, what did people think about homosexuality, did anything big happen, what type of slang did people use, what were the popular tv shows/movies/hollywood stars, etc. Oh and what cars were considered "uncool" back then? Quiz: What was life like in 1984? The last time the Dayton Flyers men's basketball team played in an NCAA tournament Sweet Sixteen game was 1984.
