

# Download Www Oit Edu

On March 9, OIT will enable a security feature in Catmail called Safe Links and will release a new version of the OHIO login page that requires users to enter their full @ohio.edu email address instead of just their OHIO ID to login. Published on 08/23/2018. After September 10, the "Spam Quarantined Notifications" will no longer be available and faculty, staff, and students can click on the "junk email" folder to view any suspected spam messages instead of visiting the quarantined system. The best software products at your fingertips. OIT's software department works full-time to negotiate Duke-wide software licenses with the worlds leading software developers.
